SUSTAINABLE BRAMPTON RESPONDING TO THE CHALLENGES!

PROJECT CO-ORDINATOR - BRAMPTON FOOD NETWORK

£12,449/year for 19 hour week, for 2 years 9 months

Sustainable Brampton is seeking someone to co-ordinate a new project, aimed at increasing the local food supply and composting of green waste.

You will play a key part in helping achieve objectives that include: a fruit and veg box scheme, providing training opportunities for young people and establishing new allotment sites.

This is part of wider efforts to make the Brampton area better able to meet the environmental challenges of climate change.

You should have experience of working in communities with volunteers and have enthusiasm for tackling these major issues at a community level. You should also have experience of project management.

This is a unique opportunity. Contact Brampton Community Centre on 016977 45023, daytime, Mon-Fri, for more information and an application pack. Alternatively, go to www.sustainablebrampton.org to download the pack.

You can also email Sustainable Brampton on sustainability@bramptoncommunitycentre.org

Closing date: 5.00pm 6 September. Interviews: 10 September

Sustainable Brampton is an independent community organisation and will manage the post. Brampton Community Association will be the employer and it operates an equal opportunities policy with contracts based on local government conditions.

Project funded by Rural Development Programme for England, and Cumbria County Council
