

GREAT BIG GREEN WEEK QUESTIONNAIRE ANSWERS

1. How concerned are you about the Climate Crisis and the loss of nature?

- Past caring, do understand young people's concern.
- Very concerned, immediate issue and impact on future generation and the planet.
- Quite a bit.
- Extremely, climate change cant be stopped only lessened and the loss of ecosystems will be catastrophic. Nature is my happiness and seeing it die is horrible.

2. How much do you feel you know about it?

- Not a lot.
- Attended a good seminar, know enough to be depressed.
- Not a lot.
- I've done a lot of my own research and know about a lot of issue contribution to it. Of course everyone can learn more and do more.

3. Would you like to be more informed?

- No
- No
- Yes (was given further information and leaflets)
- Yes definitely, I think it needs to be talked about more, especially about what people can do to help.

4. What do you think you can do to help? Are you already doing something?

- No
- I can keep finding positive solutions. Yes.
- Go green, pick up rubbish.
- I got recycling in my school and planning a tree planting next to it. Everything I do, I do consciously of the planet.

5. What do you think governments can do to help? Do you think you can influence them?

- With all the money they can decide themselves.
- Lead by example, stop talking down to other governments. Try and support the government.
- Stop selling as much plastic. Not sure.
- Make all energy renewable and bring targets forward because we're running out of time.
